Goodness is the only investment that never fails

A young boy was promised an ice cream cone if he was good while accompanying his grandfather on some errands. The longer they were gone the more difficult the boy was finding it to be good. "How much longer will it be?" he asked. "Not too long," replied his grandfather. "We've just one more stop." "The boy young boy replied "I don't know if I can make it grandad.

I can be good. I just can't be good enough, long enough!"

It is always a challenge to be good and to keep doing what we think is best. Formally this is called 'A moral conscience'. But God puts it much more simply. 'Do to others what you would like them to do to you.'

GOD
is good
